Alexis,

For your reference.

We are also working on material for our discussion next week related to the groundwater remedy schedule.

Should we work directly with Abigail to schedule that?

Thank you,
Greg

Angeles and Chairman Thom,

Attached please find the following documents.

1. NDEP 10-6 proposed edits to the Deferral Agreement transmitted by EPA on 9-26.
2. NDEP 10-6 proposed edits to the EPA YPT NDEP MOU transmitted by EPA on 9-26.

We will follow up with parallel edits to the WRPT MOU and transmit those to all parties on Monday October 9.

We look forward to receiving Yerington Paiute Tribe review of these documents and our future discussions. I will reach out to Ginny Hatch and Tashina Jim next week to schedule a meeting to discuss development of tribal employment opportunities for work associated with site cleanup activities.

Sincerely,
Greg
